

# MARRIAGE ENRICHMENT RETREAT I/II

## APRIL 17-19, 2009

### Little Portion Retreat and Training Center

*MER 1 is recommended for all CFCFFL member couples who have not gone through MER. MER 2 is for those who have gone through MER 1 and intends to take our marriages to another level where MER 1 has left off. The retreat is a good way for the couple to have time off by themselves to strengthen their personal relationship, and to gain wisdom on marriage and family life.*

This is to be a very special weekend between husband and wife but we are sensitive to couples with children. Although we encourage parents to arrange child care at home, limited kids watch will be available for children 4 to 11 years of age at a suggested donation fee of \$25 per child for the weekend. Proceeds will go to the Brothers and Sisters of Charity which is a catholic based community. The kids will be spending Saturday, April 18<sup>th</sup> 9am-5pm at the monastery for bible study and fun filled activities with the community. Fee includes morning and afternoon snacks and lunch. All members of the community are Virtus trained.
